Familiar maps

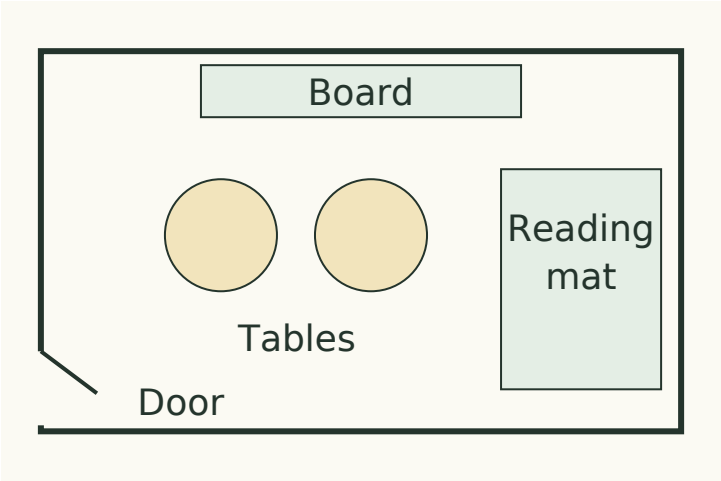

Name: _____ Date: _____

6 practice questions

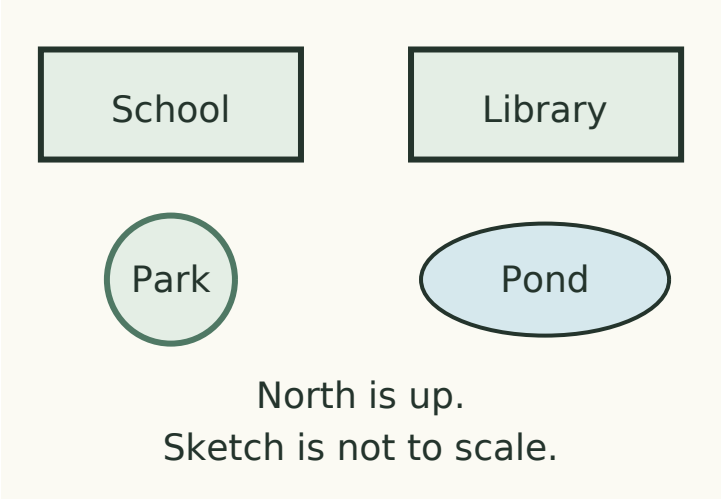

1. On the classroom plan, name the feature along the top wall.

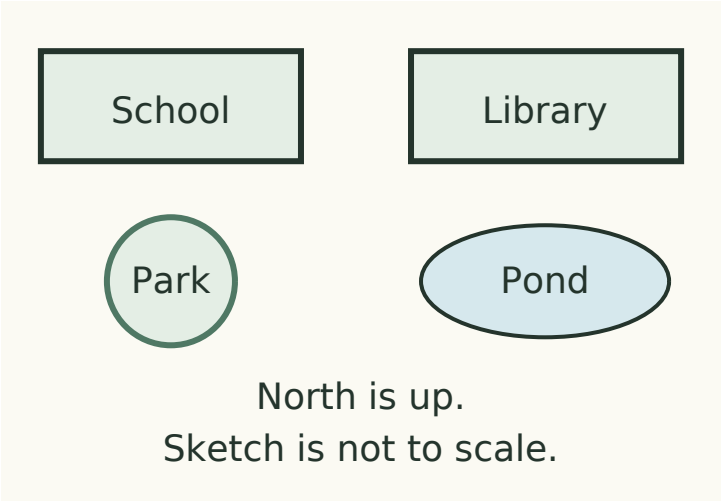

2. Where is the door on the classroom plan: top right or bottom left, as the reader sees it?

3. On the four-place map, name the place to the right of the school on the page.

4. Does this map let you find the exact number of metres from the school to the pond? Explain.

5. A map key says a small star means a drinking tap. What does a star on that map show?

6. Draw a simple plan of a room. On your page, put a door at the bottom, a table in the middle and a reading corner on the right.
